

**Life is a performance,
be our shining star at...**

Theatre 360
AWARD WINNING CHILDREN'S THEATRE

Performing Arts Theatre Camp
with sessions from
June 18 - August 24

One of the most rewarding benefits at Theatre 360 is seeing your child rise to meet a challenge, **be proud**, embrace a **new skill**, and **develop** into a more successful actor.

Every day your child is asked to perform, whether it's in class, on a sports team, meeting new friends, or joining an extra-curricular activity. In each of our classes we help our students **cultivate** self-confidence, **develop** their creativity, **improve** their coordination, and **expand** their public speaking skills while overcoming shyness. Whether your child is 3 or 19, at Theatre 360 we get the chance every day to work with your child on building new skills to give them a sense of belonging that will impact their daily lives forever.

We take the growth of our students very seriously. We know that they flourish when they are treated professionally and thrive under our Broadway-style discipline.

Have **FUN** while:

- Being with your friends and making new ones!
- Challenging yourself
- Celebrating your uniqueness
- Creating your personal brand
- Performing
- Learning how to make your 15 minutes last a lifetime!
